EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification paragraph 0001, line 2, after " 09/267,493, filed March 12,1999" the following has been entered -- now USP No. 6,610,358 --

In claim 30, line 1, "claim 30" has been changed to -- claim 29 --

Authorization for this examiner's amendment was given in a telephone interview with Mr. Jerry L. Mahurin on October 21, 2004.

The following is an examiner's statement of reasons for allowance: The instant invention claims a Kraft paper laminate product and a method to obtain such laminate, having a specific composition and structure.

The closest prior art reference that relates to the claimed invention is Williams' 358. The prior art of record does not teach or suggest the laminate and method to obtain such laminate wherein the specific composition and structure is claimed as in the instant invention..

Art Unit: 1773
